present request is for a reconsideration of that order and for raising the pay of the Writers by one rupee each. The reason assigned is that the present establishment is below 10% of the income under retrenchment. It is not clear how the Dy C Commr arrives at this conclusion In this connection attention is respectfully invited to para 4 of the Office Note on Mc 202-'09

but an increase of about a thousand rupees
in Revenue there is also a corresponding
increase of 1000 Rs in Expenditure and the
Status quo remains unchanged and the
reasons noted in the notes of this Branch dated

Branch is satisfied that even for doing the
work of Kolkars Cannot be had for Rs 5 p.m.
the increase may be sanctioned as an
administrative necessity, but there is no
urgency necessity to expend Revenue and
curtail Expenditure if the State of the
Municipality has not been pronounced
as financially satisfactory. Re fact
of the closing balance being above a
certain fixed Standard is not a sufficient
Criterion for that purpose.
